

How to Track & Trace your shipments in NVOGO

This manual explains how to Track & Trace shipments in NVOGO based on Shipment number or House Bill number. Note that the Track & Trace functionality is also available when you are logged in to NVOGO in the booking overview for shipments that are linked to your account.

Important information:

- The Track & Trace functionality will only work if the entered Shipment or House Bill number matches the exact Shipment or House Bill number as known in NVOGO.
- Track & Trace based on Shipment number or House Bill number is possible without having to log in to NVOGO and available for both export and import shipments.

1. Go to <u>https://nvogo.nvoconsolidation.com</u> and click on Track & Trace.
