

How to create an NVOGO user account

This manual explains how you can create an account for NVOGO.

1. Click on [this link](#) to go straight to the login page of NVOGO. You can also go to <https://nvogo.nvoconsolidation.com> and click on **Sign In** at the top-right corner of your screen.

The screenshot shows a web browser window displaying the NVOGO dashboard. The browser's address bar shows the URL nvogo.nvoconsolidation.com/dashboard. The dashboard features a dark sidebar on the left with the NVOGO logo and a navigation menu including Dashboard, Sailings / Online Booking, Track & Trace, Quotes, Booking Overview, Shipping Instruct..., and API Portal. The main content area has a dark header with the NVOGO logo and the slogan "Let Us Streamline Your Workflow Today". Below the header are two primary functional cards: "Sailing Schedules" and "Track & Trace". The "Sailing Schedules" card includes a world map icon, a search form with "Search Place of Receipt" and "Search Destination" fields, and a "Search Sailings >" button. The "Track & Trace" card includes a mobile device icon, a search form for "House bill or Shipment number", and a "Track Now >" button. At the bottom, a "Top Features" section contains three light blue boxes with icons representing shipping documents, a person with a tablet, and a magnifying glass over a document.

2. Once you are on the login page of NVOGO, click on **Sign up now** to create a new account for NVOGO.

3. Please fill in your email address and click on **Send verification code**. A verification code will be sent to your email address. After you receive it, fill it in the dedicated field and click on **Verify code**. Fill in your details and click on **Create**.

The image displays three sequential screenshots of the NVOGO user registration process, each with a 'Cancel' button at the top left.

First Screenshot: The 'User Details' screen shows an email address field containing 'afouche+test3@vbemsagroup.com'. A blue button labeled 'Send verification code' is highlighted with a red box. Below are fields for 'New Password', 'Confirm New Password', 'First Name', 'Last Name', 'Phone Number', 'Company Name', 'Company Address', and 'Company City / Country', each with a red asterisk indicating a required field.

Second Screenshot: A message states 'Verification code has been sent to your inbox. Please copy it to the input box below.' The email field now contains the same address, and a new field contains the verification code '845222'. A blue button labeled 'Verify code' is highlighted with a red box. A 'Send new code' button is also visible. The remaining registration fields are present.

Third Screenshot: A message states 'E-mail address verified. You can now continue.' The email field contains 'afouche+test3@vbemsagroup.com' and a 'Change e-mail' button is present. Two password fields are shown with masked characters. The 'First Name' field contains 'Alexis', 'Last Name' contains 'Fouché', 'Phone Number' contains '+336123456789', 'Company Name' contains 'VBE MSA Group', 'Company Address' contains 'Van Leeuwenhoekweg 33', and 'Company City / Country' contains '3316 AV Dordrecht'. A dropdown menu for 'Please select the closest NVO Consolidation office' is set to 'NVO Consolidation SAS - Le Havre (France)'. A blue button labeled 'Create' is highlighted with a red box.

- The following notification will appear on your screen: “Account confirmation pending. Your account has not yet been enabled. You will be informed as soon as your account has been enabled by an administrator. We strive to activate your account within 24 hours on working days. During this time, you can still access the public version of NVOGO”.
- Once your account has been approved and enabled, you will receive the following email. You can now login with the details you entered during your registration. Click on the **Log in** button to go to NVOGO and start using it.
