

How to Track & Trace your shipments in NVOGO

This manual explains how to Track & Trace shipments in NVOGO based on Shipment number or House Bill number. Note that the Track & Trace functionality is also available when you are logged in to NVOGO in the booking overview for shipments that are linked to your account.

Important information:

- The Track & Trace functionality will only work if the entered Shipment or House Bill number matches the exact Shipment or House Bill number as known in NVOGO.
- Track & Trace based on Shipment number or House Bill number is possible without having to log in to NVOGO and available for both export and import shipments.

1. Go to <https://nvogo.nvoconsolidation.com> and click on Track & Trace.

The screenshot shows a web browser window with the URL nvogo.nvoconsolidation.com/dashboard. The browser's address bar and tabs are visible at the top. The NVOGO logo is in the top left corner of the page, and a 'Sign In' button is in the top right. A dark sidebar on the left contains a menu with the following items: Dashboard, Sailings / Online Booking, Track & Trace (highlighted with a red box), Quotes, Booking Overview, Shipping Instruct..., and API Portal. The main content area features a large banner with the NVOGO logo and the text 'Let Us Streamline Your Workflow Today'. Below the banner are two main sections: 'Sailing Schedules' and 'Track & Trace'. The 'Sailing Schedules' section includes an icon of a globe and a ship, a search bar for 'Search Place of Receipt' and 'Search Destination', and a 'Search Sailings >' button. The 'Track & Trace' section includes an icon of a smartphone with shipping boxes, a search bar for 'House bill or Shipment number', and a 'Track Now >' button. At the bottom, there is a 'Top Features' section with three light blue boxes, each containing an icon representing a different feature.

2. Enter the **House Bill number** or **Shipment Number** corresponding with the shipment you want to Track & Trace in the search field and click on **TRACK**.

The screenshot shows a web browser window with the URL `nvogo.nvoconsolidation.com/tracker`. The page title is "Track & Trace" and the NVOGO logo is visible in the top left. A sidebar on the left contains navigation links: Dashboard, Sallings / Online Booking, Track & Trace (highlighted), Quotes, Booking Overview, Shipping Instructi..., and API Portal. The main content area has a heading "Track & Trace" and a sub-heading "Enter the shipment or house bill number to see tracking information." Below this is a search input field containing the text "SDSE24068409" and a blue "Track" button. A red rectangular box highlights the search field and the "Track" button. At the bottom of the main content area, there is a light gray box with an information icon and the text: "You can now find all the details about your shipment(s) conveniently gathered in a unified dashboard, ensuring improved efficiency. Sign in and visit our [Booking Overview](#) for more details."

3. A brief overview of the Shipping Details will be shown, followed by the Tracking Details showing the current status of your shipment.

The screenshot displays the NVOGO Track & Trace web application. The browser address bar shows the URL `nvgogo.nvoconsolidation.com/tracker;trackingnr=SDSE24068409`. The page title is "Track & Trace". A search bar contains the tracking number "SDSE24068409" and a "Track" button. Below the search bar, a message states: "You can now find all the details about your shipment(s) conveniently gathered in a unified dashboard, ensuring improved efficiency. Sign in and visit our [Booking Overview](#) for more details."

The main content is divided into two sections:

- Shipping Details:** A table showing shipment information for the route Hamburg - Dubai (Jebel Ali).
- Route Details:** A vertical list of route stages including origin, departure, and arrival information.
